The 2nd International Conference on Advanced Communications with Modern Circuits and Systems Technologies 2027

BENI MELLAL
10, 11 and 12 November 2027

CALL FOR PAPER

The ACMCST 2027 is an international event organized by the MISET Research Laboratory at Sultan Moulay Slimane University, Béni Mellal, Morocco.

This conference brings together renowned researchers, experts, and professionals in the fields of advanced communication technologies, modern circuits, and intelligent systems. Its primary objective is to explore the latest advances in electronic engineering, telecommunications, advanced technologies, and smart systems.

ACMCST 2027 provides an interactive platform for participants to share ideas, present research findings, and exchange experiences. The conference welcomes researchers, academics, engineers, industry professionals, and students from around the world.

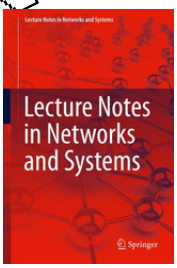

With a strong emphasis on networking, collaboration, and knowledge exchange, ACMCST 2027 represents an excellent opportunity for participants to stay informed about recent developments and emerging trends in communication technologies, electronic systems, and multidisciplinary engineering fields.

Conference Topics

Intelligent Systems and Advanced Technologies

- Connected Systems
- Industrial IoT
- Control of Connected Vehicle Systems
- Robotics and Autonomous Systems
- Smart Homes, Smart Cities
- IA for Embedded Systems
- Smart IoT, Embedded Systems & Industry 4.0
- Machine Learning for IoT
- Connected Car, Automotive
- Smart Systems
- Technologies in Intelligent Systems

Power & Energy

- Power Electronics, Systems and Applications
- Smart Grids & Microgrids
- Command and Control Systems for Renewable Energy
- Electric power generation, transmission & distribution
- Energy conversion systems
- Energy storage components & systems
- Energy harvesting
- Power semiconductor devices
- Energy efficiency

Information and Communication Technologies

- RFID technology and applications
- Satellite and Space Communications
- Network and Security
- Telecommunication Systems
- Mobile and Ubiquitous Computing
- Wireless Communications and Networking
- Antenna Systems and Architectures
- Telecommunications Applied to Transportation
- Access Systems and Networks
- Hybrid information technology
- Electromagnetic computation methods

Electronics Circuits and Systems

- Microsystems and Embedded Systems
- Sensors and Sensing Systems
- Low-Power and Low-Voltage Design
- EDA, Test and Reliability
- Signal Processing, Image and Video
- Linear and Non-Linear Circuits and Systems
- Neural Networks, Machine and Deep Learning
- VLSI Systems and Applications
- Digital Circuits and Systems

All questions about submissions should be emailed to: acmcst@usms.ma

Honorary Committee

- Pr. KHALID Mehdi, Acting President of Sultan Moulay Slimane Universit, MOROCCO
- Pr. BARAKAT Ahmed Dean of FST, Sultan Moulay Slimane University, MOROCCO

General Chairs

- Pr. SAIH Mohamed, Sultan Moulay Slimane University, MOROCCO, **CHAIR**
- Pr. LAKHAL Yassine, Sultan Moulay Slimane University, Morocco, **CO-CHAIR**
- Pr. REHA Abdelati , EMSI-Marrakesh, Morocco, **CO-CHAIR**
- Pr. RHAZI Youssef, Sultan Moulay Slimane University, MOROCCO, **SCIENTIFIC COMMETTEE CHAIR**
- Pr. KLILOU Abdessamad, Sultan Moulay Slimane University, Morocco, **STEERING COMMITTEE CHAIR**
- Pr. ELHAJJAMI Lhoussain, Sultan Moulay Slimane University, MOROCCO, **OVERSIGHT COMMITTEE CHAIR**

Organizing Committee

- Pr. NOUACRY Ahmed, Sultan Moulay Slimane University, Morocco
- Pr. CHAJI Kebir, Sultan Moulay Slimane University, Morocco
- Pr. BOUZIANE Ahmed, Sultan Moulay Slimane University, Morocco
- Pr. AOUAJ Abdellah, Sultan Moulay Slimane University, Morocco
- Pr. BOUMAAZA Lahcen, Sultan Moulay Slimane University, Morocco
- Pr. ELHAJJAMI Lhoussain, Sultan Moulay Slimane University, Morocco
- Pr. TAJER Abdelouahed, Cadi Ayyad University, Morocco
- Pr. ABOUNADA Abdelouahed, Sultan Moulay Slimane University, Morocco
- Pr. NEJMI Ali, Sultan Moulay Slimane University, Morocco
- Pr. AISSAOUI Ahmed, Sultan Moulay Slimane University, Morocco
- Pr. RAYHAN hassan, Sultan Moulay Slimane University, Morocco
- Pr. AIT FKIH Mustapha, Sultan Moulay Slimane University, Morocco
- Pr. LAZRAK Loubna ,Sultan Moulay Slimane University, Morocco
- Pr. ELBACHA Abdelhadi , Cadi Ayyad University, Morocco
- Pr. REHHALI Khaoula, Sultan Moulay Slimane University, Morocco
- Pr. BOULGHASOUL Zakaria, Cadi Ayyad University, Morocco
- Pr. SAIH Mohamed, Sultan Moulay Slimane University, Morocco
- Pr. RHAZI Youssef, Sultan Moulay Slimane University, Morocco
- Pr. BENKHADDA Omaima, EMSI, Morocco
- Pr. ROUIJAA Hicham, Hassan I Univerity, Morocco
- Pr. MOUACHI Raja, EMSI, Morocco
- EL OUARDI Abdelhafid, Paris-Saclay University, France
- Pr. MEJDOUB Youssef, Hassan II Univerity, Morocco
- Pr. ARSALANE Assia, Sultan Moulay Slimane University, Morocco
- Pr. LAKHAL Yassine, Sultan Moulay Slimane University, Morocco
- Pr. LACHTIOUI Youssef, Sultan Moulay Slimane University, Morocco
- Pr. BAJJOU Omar, Sultan Moulay Slimane University, Morocco
- Pr. BAGHLI Fatima Zahra, Sultan Moulay Slimane University, Morocco
- Pr. BOUGAYR El Houssayne , Sultan Moulay Slimane University, Morocco
- Pr. BENACHIR Elhadadi, Sultan Moulay Slimane University, Morocco
- Pr. HAMDANI Hamid, Sultan Moulay Slimane University, Morocco
- Pr. BOUDAOUD Abdelghani, Sultan Moulay Slimane University, Morocco
- Pr. AQIL Mounaim, Sultan Moulay Slimane University, Morocco
- Pr. ZIAT Younes, Sultan Moulay Slimane University, Morocco
- Pr. ALLAOUI Ali, Sultan Moulay Slimane University, Morocco
